Cletus' Call

“A letter from the heart”

Sometimes a letter will passionately communicate a message that strikes at the very center of our spiritual being. A letter from the heart to the heart. We have received such a letter from Michael Grinnell. If this letter doesn't vibrate your heartstrings, you best check your spiritual pulse. You may be dead!

Dear church,

I love all of you and I thank you for your prayers and I hope you keep them coming. I hope you are doing well. Mr. Stutzman, I hope you are keeping them in line for me.

As most of you know, my family and me are having a hard time right now and we need your prayers. I hope you keep us in them. It has been tough, but I see my faults and I hope you don't judge my family on what I've done in the past. But I am becoming a new person and

I have changed. I cry every day when I think of what I have done. And I hope you all forgive me as my Father in Heaven has and give me a second chance as He has done. Please keep me in your prayers.

Love, Little Mike Grinnell
